

# Mission Spotlight

Capt. Brian O'Donnell, a pediatrician with the 347th Medical Group, examines Nicholas Hill, son of Staff Sgt. Lisa Hill, 347th MDG, during a visit to the clinic. The 347th MDG provides outpatient medical, dental, occupational, environmental and preventative healthcare services in support of a combat-ready HC-130, HH-60 rescue wing, flying training group and security forces group. The group serves more than 16,000 beneficiaries with 225 staff members and an \$8 million annual operating budget. They also maintain three air transportable clinics in support of global operations.
